## **Compass Strategic Partner Programme**

Over the past decade, Compass has grown to serve 2,000 schools in Australia and Ireland. This growth is driven by our commitment to listening to, and caring for our customers. And, as we launch in England, we're focused on understanding exactly what your school needs in a modern Management Information System (MIS).

We'd like to invite you to join the Compass Strategic Partner Programme - a mutually beneficial ongoing partnership with schools to test new features of our MIS software, and learn from you what's most valuable in meeting the needs of your school.

Schools who commit to joining the Programme will participate in periodic focus groups and roadmap workshops, helping us evolve our solution to meet the needs of the English school system. In return you'll receive a range of rewards.

## **Strategic Partner Programme benefits:**

- ✓ **50% off Compass licensing costs,** with these super-low prices guaranteed for your full contract term.
- Priority onboarding overseen by an experienced Compass client consultant who will provide advice and support to ensure you get the most from your new MIS.
- ✓ Free data migration and extensive training provided by our expert client services team.
- ✓ **Input into our product roadmap**, by letting us know the features and enhancements that would benefit your school the most.
- Free and unlimited ongoing access to Compass support, including a range of resources such as training videos and knowledge base articles.
- ✓ Free hardware and licensing for Compass Kiosk and Cashless Canteen for the full term of your initial contract.
- ✓ Regular service reviews with your school's dedicated client consultant.

## **Become a Strategic Partner today**

We'd love to work with you, and we'd be delighted to introduce your school to Compass. To find out more, simply get in touch with us via email, or call us directly.
